

HOLLAND CLUB AUTO RALLY 1971

We are happy to have you registered as one of the teams, participating in our Rally on Sunday September 19.

Your team and startnumber is: 15

We would like for you to make up this number yourself and attach it easily visible to our controllers to the top center of the frontwindow inside your car.

The start of the first part of the Rally will take place in front of the entrance of the J. Frank Dobie High School, 11111 Beamer Rd., to be reached by taking the Fuqua-exit (one past the Alameda-Mall coming from Houston) of Interstate 45 (Gulf Freeway) and taking a left at the trafficlights.

Your starting time will be: 2.38

We expect you to be present at least fifteen minutes before your starting time, so you will be ready to pick up your first instructions at the rallytable exactly ten minutes before your starting time.

You will need a pen, pencil, eraser and clipboard; accurate operating watch, speedometer and mileagecounter.

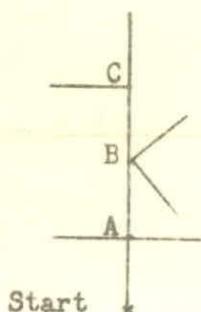

A Houston City map might be a little help in case you get lost and/or during the final part of the Rally.

Get your car in the right position of the starting line-up and set your watch with the rallyclock.

The Rally will consist of the following items:

- I. Route description: The right route has to be found by reading the description carefully and from the answers to twelve questions we will learn whether or not you did so. You will also have to keep an eye on your watch.
- II. Linemap: Projection of your route on a straight line to be read from bottom to top.

Examples:

A, B and C are intersections.

A. straight-on at a 4-way intersection.

B. take a left at a 4-way intersection.

C. straight-on or take a right at a 3-way intersection.

Homes will be our route controls and there will be a time limit.

- III. Measured driving time course: You will have to drive from point to point with a certain average speed.

Every start and finish will be marked with a red, white and blue flag.

Errors will result in penaltypoints and the team with the lowest total, will be the winner of the Rally. The instructions for each part of the Rally will indicate how many pps. will be given for each possible error.

Driver and navigator are allowed to alternate during the Rally.

Do not exchange information with other teams during the Rally. Every team has to operate on its own. Teams breaking this good sports rule will be disqualified.

The finish of the time course will be in Memorial Park at the intersection of Memorial Loop and Arnot. The pic-nic site will be close to this point.

The final result of the Rally will be available on the pic-nic site about 45 minutes after the finishing time of the last team.

Decisions of the Rally Committee will be final.

Make sure to bring this sheet along with you and if we have a bad day on the 19th weatherwise, please call 946-3084 or 481-3970 for advise between 11:30 and 12:30.

We hope, you will have a pleasant Rally, even if it turns out not to be your good-fortune day.

The Rally Committee.

HOUSTON, TEXAS

AUTO-RALLY

Now, this I have not done before, so I am sure I will get lost. Therefore, nobody follow me please. I guess the safest thing to do is to rely completely on one's own car, favourite gasoline, driver and navigator. May I advise every participant to obtain the newest map of Houston and Vicinity, in order to be able to get back to civilization, in case one does get stranded on unfamiliar grounds. Personally, I am going to make sure all my emergency lights are in good working condition.

The Rally will consist of three different parts. The main part of the rally will be held in an area South-East of Houston. The trip will last about $3\frac{1}{2}$ hours and cover approximately 40 miles of $99\frac{1}{2}$ percent well-paved roads.

The Finish of the last part of the rally will be in Memorial Park. We will picnic there while waiting for the final results. Trophies and prizes will be awarded. We trust the weather to permit us to have a pleasant day.

To qualify for this Rally one needs:

- a) One member of the team to be a member of the Holland Club.
Number of passengers is unlimited.
- b) A CAR (automobile) with an accurate operating speedometer and mileage counter.
- c) A good running watch. (not too fast, nor too slow, just right)
- d) A Team, consisting of a driver and a navigator. (One-man team allowed)
- e) \$2.50 per team, to cover the cost of the prices.
- f) Picnic needs. Everyone is required to furnish their own complete picnic, i.e. food, drinks, utensils, table cloths, napkins, ants, etc. etc.
- g) A lot of good spirit.

Any careful and normal driver can participate in this event, for no special skills are required. However, the Holland Club cannot be held responsible for any accidents or damages that might occur during this rally.

In order to be able to complete the final preparations for this interesting event, it is imperative that all interested members fill out the registration slip below and mail it to Mr. A. van de Voorde (address below) BEFORE 10 September 1971. Be sure to include your payment of \$2.50 with the registration form.

See you later - Christina van Doorninck Werlein
