

HOLLAND IN HOUSTON WEEK IN DE "YE OLD COLLEGE INN"

OCTOBER 28 — NOVEMBER 2, 1959

WAAKOM "HOLLAND WEEK"? (Why "Holland Week"?) Really there are several reasons, but we shall list only two: 1. This is College Inn's way of helping promote National Restaurant Month, 2. (Quoting from a reply from the Netherlands National Tourist Office) "It is through efforts such as yours that people become acquainted with the customs and traditions of peoples of other lands, which only benefits the tireless endeavors towards world peace in which all free nations are engaged."

Now we hope that our efforts won't get us "in Dutch" with Houston's real Dutchmen because of any slight change in menu authenticity!

"Holland in Houston" Week would not have been possible without the valued assistance of many people and businesses, so may we say:

ONZE HARTELIJKE DANK AAN . . .

*You will note on these menus provided by KLM that they are celebrating their 40th Anniversary. We also point with pride to the fact that this is the 40th Anniversary Year for "Houston's Oldest Fine Restaurant" — Ye Old College Inn. By the way, we think that this menu when framed, will make an excellent gift for a young girl.
