Dear Dick,

The Holland Club, as you know, is completing a very active 1974, and is busily preparing for an interesting and active 1975.

As last year I have been appointed coordinator for the advertising for our magazine, the "Windmill Whispers".

We would like to reserve for you the upper half of the inside front cover as you now have.

Our advertising rates will remain the same as they were for last year, despite our increased costs for paper and printing.

The cost for one half page will be \$60 per year, the cost of a full page would be \$100 per year.

If there are to be any changes to your advertising lay-out, I would appreciate your sending them to my home at your earliest convenience. I look forward to your early favorable reply.

My home address is 5242 Kingfisher, Houston Texas 77035, my telephone number is 723-0832.

Let me take this opportunity to wish you and your family a very prosperous 1975.

Sincerely yours,

Hector Madrid
