HOLLAND HOUSE IMPORTS
623 Westbury Square
Houston, Texas 77035

Dear Advertiser:

On behalf of all the Club members we herewith wish to thank you for your support as a constant advertiser for the entire year 1975. Your contribution has made it possible for our Club to look back at a very successful year and a steadily growing membership list.

Our plans for 1976 are to enhance the appearance of the "Windmill Whispers" and we assure you that our monthly magazine will be more appealing, not only in design but also in lay-out.

Our "Art Department" has very innovative ideas but they need to know soonest whether or not you wish to continue advertising the same or in more space than your firm occupied in the past.

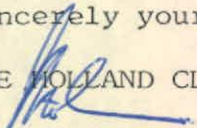

Enclosed is a form indicating what space your company reserved in 1975. Due to the steadily rising cost of printing and mailing we had to adjust the rates slightly. You will note that the increase has been very moderate and we hope that the postage will remain the same throughout the year.

Can we count on your support again for 1976 ?
The return of the attached request in the self addressed envelope will be appreciated.

May we take this opportunity to wish you and your business a very prosperous 1976 and hope that you will favor us again this year.

Sincerely yours,

THE HOLLAND CLUB, INC.

Henk Stokvis
Vice-President
