Dear Members:

The Oranje Bal was a great success, as was expected, for a lot of preparation and work went into this party. The decorations added much to the festive atmosphere. Much credit is due to Piet Staats and his family, who organized the party, decorated the balroom, etc.; to Dick Zandwijk, who lead the dances; to Peter Feteris, who accompanied on the piano with the Sing Along; and to the Phone Committee for doing such a good job in getting members and prospective members to the party.

A reminder to our members who have overlooked their good intention: "Please pay your membership dues of \$8.00 now". We plan to issue a new membership roster in June and it is therefore imperative that dues are paid up to date for members to be included in this roster.

Here is a list of tentative dates of our forthcoming activities:

## SMOKED PALING PARTY

An extraordinary delicatessen from Holland is being flown in by the KLM, while Carl Van Nes will guard this precious cargo en route. In other words, a Smoked Paling Party, sponsored by Van Nes Group Tours and transportation provided by KLM, has been organized spontaneously. We regret the short notice to our members. However, we will have to know how many members are willing and able to attend, and if you qualify, we urge you to get to your phone right now and call the following people before Sat. night, May 22nd.: Chris Herben - tel. 465-7027; Art Janszen - tel. 946-5277; Christina Werlein - tel. 668-2488. The party will be given at the Houston Liederkrantz Building and the interested German members will attend also.

The place: Houston Liederkrantz, 3519 Barnes, Houston, Texas. Tel. 861-6685

The time: 8:00 pm.

Costs: The smoked paling, potatoe salad, bread and butter are free to our members. Beer is 30 or 35¢ a bottle, depending on the brand. Set-ups are 15¢ each and a bucket of ice is 35¢ each. Be sure to bring your own bottle of your favourite alcoholic beverage.
