On March 5, 1960 a meeting of members of the Dutch community was called, which on that date resulted in the formation of The Holland Club, incorporated in the State of Texas on June 9, 1960 under Charter 116107.

The Club was founded to further friendship and fellowship for persons with interest in Dutch customs or the Dutch language, by reason of ancestry or other. During the year there are several get-togethers, varying from picnics to dances, with as highlights the celebration of the Queen's Birthday at the "Oranje Bal" and the "Leiden's Ontzet" or herring party in October.

The club is sponsoring a group tour departing May 30, 1971 with considerable savings for its members. Information can be obtained through one of the club officers.

Membership in the Club requires an initiation fee of \$3.00 per family and dues of \$8.00 per year, prorated at 75¢ per month when joining after March.

All applications for membership shall be passed on by the officers at the first monthly Board meeting.

For your convenience an application blank follows, which upon completion may be sent to our secretary at the address above, or for more information call one of the following: 465-7027, Chris Harben, Pres. -- 455-1147, Geo Flinkerbusch, VP
