

Holland Festival

HOUSTON, TEXAS

December, 1983

Dear *Dick,*

The Holland Club, Inc., a non-profit organization, has the pleasure to announce its second Holland Festival. The event will once again be held in Houston, at the Houston Farm and Ranch Club, on April 14 & 15, 1984.

Our first Festival which was held in May, 1983 was a tremendous success in the sense of goodwill, promotion of Dutch products and industries and bringing Holland to Houston. The attendance was approximately 3500 people.

It is our honor to invite you again to participate in the event this year. We are therefore inquiring whether you wish to attend our Festival with an exhibition booth from your company. Rental space for 2 days is \$250.00, plus a \$50.00 clean-up deposit (refundable if space is left clean). If you need to acquire a booth from the Holland Club there will be an additional \$50.00 charge.

Your attendance would be greatly appreciated. If you should wish to attend please make reservations at your earliest convenience.

For additional information, please contact either of the undersigned.

Yours sincerely,

Charlotte M. Ritzie
